ready solutions

 **BETBOOM** - integrated products · Operational studio · 24/7 products · Own technology stack · End-to-end quality control

WHAT WE DO

Four ways to build more value for an operator.

One team across product, technology, integration, operations and quality control.

24/7 FAST BETTING

High-frequency live
sports betting content
based on real events

READY TO INTEGRATE iGAMING PRODUCTS

22+ commercial
iGaming products

CUSTOM PRODUCT DEVELOPMENT

Full-cycle in-house
iGaming product
development

LIVE CASINO & GAME SHOWS

Turnkey studio, technology
and operations with
end-to-end quality control

24/7 SPORTS FAST BETTING

High-frequency live sports betting content based on real events

Real events. Live video. New betting opportunities every 2 - 3 seconds. 24/7.

330M

bets
per month

10+

years live on
 BETBOOM

24/7

new betting opportunities
every 2–3 sec

TURNKEY DELIVERY

- **Real sports, live video:** Authentic sporting events, not virtual or simulated content.
- **Documented content rights:** Existing agreements covering live video broadcasting and sporting event data.
- **Legal & certification support:** Market-specific certification and legal support managed by our team.
- **Ready-to-integrate solution:** Technology, white-label branding, operational infrastructure and ongoing support.

24/7 SPORTS FAST BETTING
